

## Day 3 Activity 1 Formulating Questions

Classify question types in your CRP for the given story. When completed, write one more question per type in the appropriate box.

<b>Memory</b>	<b>Convergent</b>
<b>Divergent</b>	<b>Evaluative</b>

Don't forget to share in your group when you are done. Do you agree with how they categorized? Do they agree with you? Which questions do you think many students might struggle with?

## Day 3 Activity 2 Scaffolding Questions

**Step 1** - Identify 3 questions students may find challenging.

**Step 2** - Write 2 or 3 scaffolding questions for each difficult question.

**Step 3** - Share your questions with your partners. Tell them:

- a) why you choose that questions (why you think your students will need help),
- b) the questions you wrote to scaffold the answer to the more difficult questions, and
- c) how the questions you wrote will allow students to answer the more difficult questions.
