

Publisher Response to Program Review: Soar to Success

Soar to Success (grades 3-8) is a research based, reading intervention program that helps students learn to apply comprehension strategies (summarize, clarify, question, predict) across the curriculum. The systematic instruction includes fiction and non-fiction trade books, a daily, five-step lesson plan (rereading, reviewing, rehearsing, reading/reciprocal teaching, responding), graphic organizers, and ongoing assessment.
