Rush to the Beach

Part 1

13 There were three ways to get to the beach. I needed to get
28 there fast. I had to tell Gail not to feed the grain to the sheep,
43 but she was at the beach. "I have to reach Gail," I said to Bob.
56 "Wait until Jill gets back. Then meet us at the beach." I held
69 the mail in my teeth and ran to the jeep. The wheels spun,
and I was off.

Part 2

73 "The best way to get there must be Sea Leaf Trail," I said.
86 "After I speak to Gail, I can rest. I pray that she has not fed
101 the sheep yet."
104 The mist was thick. The jeep had to twist at each bend.
116 I felt my heel lift off the gas a little. Then I saw the beach.
131 I left the jeep next to a tree and ran down the trail.

Part 3

144 When I reached the beach, I did not see Gail. I ran in the
158 mist and screamed, "Gail! Are you there?" At last, there she was.
170 "Look at this," I said. "It was in the mail. You must not feed the
185 grain to the sheep. The grain is green! The sheep will get sick."
198 Gail did not speak. She ran to a bunch of sheep, picked up
211 a pail of grain, and screamed, "Get, get, get, you sheep."
222 Then Gail ran back to me. Gail said, "The sheep did not eat
235 the grain. Thank you, pal."
