why      should      right      was      looked      show

"My tooth is loose," cried Lou.

Right at the start of class, Miss Moon wrote Lou's name on the loose tooth list.

Lou tried to show his new patch to Lee, but Lee just looked away.

---

"Here is glue for that loose tooth," said Lee.

"You can't chew," said Lee. "You should just eat fish soup."

Lou felt glad that Lee had a loose tooth, too.

---
