Fred Fox teaches cooking classes.

"Rewrap berries to keep them fresh," Fred tells his class.

Next, Fred mixes up a cookie mix and spoons it on a buttered pan.

---

"Cookies will stick to an ungreased pan," Fred tells his class.

"For my last dish, I will make *Peaches, Screeches*," Fred tells his class.

"Now you know why I named my dish *Peaches, Screeches*!"
