Grade 2, Theme 4, Week 3 -- Crow's Plan (accompanies The Great Ball Game) -- Sentences

"Long ago, Oak Lake flowed clean," said Crow. "Now trash floats in it. We must make this lake flow clean once more."

---

Grade 2, Theme 4, Week 3 -- Crow's Plan (accompanies The Great Ball Game) -- Sentences

"How can we help?" Toad croaked. "We will make war on trash. Follow me!" said Crow.

---

Grade 2, Theme 4, Week 3 -- Crow's Plan (accompanies The Great Ball Game) -- Sentences

Half the animals went around one side of Oak Lake. The rest went around the other side. They picked up trash and put it in trash cans.

---

"This lake looks good and clean," Toad croaked. "Let's keep it this way."

"We can wait in this hollow tree," Crow said. "Then we will show everyone how to take care of the lake. It must be our goal."

Soon a raccoon family came to Oak Lake. The family ate a picnic in their rowboat. When they finished, the little raccoon tossed something. In a flash, Crow dove and got that trash in his beak before it hit Oak Lake.
