Miss Knight's class was getting set for Fright Night. They hung a banner outside the school. "Fright Night will be the best night this year," cried Betsy. "I can't wait."

Steve sat in the spotlight on Miss Knight's stool. He wore a green tie. He told a tale. In this tale a creature named Mighty Max lived in the woods.

Sally told about the high flight of six bats. She showed pictures of real bats. Then she yelled, "BOO!" and ran off the stage.

---

Kenny dressed up for his spider dance. He was quite a sight. He wore a black cape cut in strips. The strips hung like a spider's legs.

Sue and Shelly wore matching dresses with bright red tights. They tossed three glowing tubes back and forth like jugglers.

Everyone asked to have Fright Night again next year. "We just might do that," sighed Miss Knight.
