Holly sat up in bed. "My cold is horrible," whined Holly. Then she sneezed. "I hope I can sing at the show."

Luke gave her warm soup and some advice. "Spend the day outside. The fresh air should help your head," he explained.

Holly laced up her skates. She went skating in town, while her mom went shopping. She glided past the drug store. She raced past Elmer's Hardware.

"Good day," Holly replied, waving. "Look out!" Tom shouted, but it was too late. Crash! Holly wiped out just past Tom's store.

Tom raced to help Holly up. She felt a little dazed. She stroked her scraped leg. Then she shook her head.

"So falling down fixed things up!" joked Tom. Tom helped her inside his shop. He gave her some freshly baked apple pie.
