

**Oregon Reading First
Outreach Webinar
Topic: Instructional Profiles**

11/4/2009

Time: 1:00 – 3:00 (PST)

This Webinar will cover Instructional Profiles which provide a system for organizing screening and diagnostic data in order to identify the amount and type of reading instruction right for each student. Each student is given an instructional profile that correlates to instructional recommendations. Schools can use the profiles and recommendations target instruction for each student and to plan groupings and schedules system-wide throughout the year.

You will need a computer with internet access and a telephone line to participate.
